Cities I could work in	All		

Professional background

I joined the 1st filmacademy (located in Vienna) in October 2020. but I started going on castings and applying for jobs a few months before. That's why I already gained a lot of experience in front of the camera as model and actress. I also love singing and creating my own music. You can find my song „You're not good for me - ALDA“ on Youtube and Spotify.
